NOTICE OF OPPOSITION

Koninklijke Philips N.V. (“Opposer”) believes that it is being and will be damaged by Jim Trading Limited’s (“Applicant”) Application No. 86920659 for the mark SONISHARE for “replacement toothbrush heads” in Class 21, and opposes the same. As grounds for its opposition, Opposer alleges upon actual knowledge with respect to itself and its own acts, and upon information and belief as to other matters:

Opposer and Its SONICARE Mark

1. Opposer Koninklijke Philips N.V. is a limited liability company of the Netherlands having an address at High Tech Campus 5, NL-5656 Eindhoven, Netherlands.
2. Opposer is the owner of the well-known and famous SONICARE brand name, which it uses on a wide variety of oral care products, including replacement toothbrush heads. Opposer, through itself and its predecessor in interest, has continuously used and promoted the SONICARE mark for oral care products since at least as early as 1992. As a result of this longstanding and extensive use and promotion, Opposer’s SONICARE brand has enjoyed

substantial commercial success and in some years has reportedly commanded over a 50% share of the electric toothbrush market.

3. In view of the inherent strength of the SONICARE mark, the duration and extent of use of this mark by Opposer, the duration and extent of advertising, and the degree of recognition of this mark by the public, Opposer's SONICARE mark has become famous and is an asset of incalculable value. Further, such fame was achieved long before any priority date that may be alleged by Applicant.

4. Opposer owns the following United States trademark registrations for its SONICARE mark (printouts from the PTO TESS/TSDR databases, including Assignment information, are attached as Exhibit A):

Mark	Reg. No. Reg. Date	Goods/Services First Use in Commerce/Filing Basis
SONICARE	1848213 08-02-1994	Toothbrushes in Class 21 First Use in Commerce: 12-07-1992
	3627254 05-26-2009	Electric toothbrushes in Class 21 Filing Basis: 66(a)
	4590785 08-26-2014	Dentifrices; toothpaste; cosmetic tooth whitener; bleaching products for tooth whitening, namely, tooth whitening preparations; tooth gel with tooth whitening effect; mouth waters in the nature of mouth washes, and mouth and dental care products, not for medical purposes, namely, tooth cleaning lotions, tooth powder, mouth rinses, dental bleaching gel in Class 3 Material for filling teeth; dental wax; dental lacquers; pharmaceutical preparations for dental purposes for prevention of cavities, treatment of tooth decay, pain relief; pharmaceutical pastes and preparations for use in the prevention of tooth and gum diseases; diagnostic reagents for medical purposes, namely, reactive dyes to detect the dental plaques; dental prophylactic paste for medical purposes in Class 5 Electric and non-electric toothbrushes, including denture brushes, and their structural and replacement parts; replaceable toothbrush heads; apparatus for cleaning teeth and gums, namely, toothbrushes, apparatus for cleaning teeth and gums using compressed air and high speed water for home use, dental floss

Mark	Reg. No. Reg. Date	Goods/Services First Use in Commerce/Filing Basis
		picks; dental floss; toothpicks; toothpick holders, not of precious metal; tongue cleaning instruments in the nature of brushes and scrapers for personal care in Class 21 Filing Basis: 66(a)
sonicare	4906671 03-01-2016	Dental apparatus and instruments, namely, dental mouthpieces, teeth retractors, and instruments used for gum and tooth cleaning, cosmetic dentistry and teeth whitening applications; electrical dental appliances, namely, instruments and fixtures used for gum and tooth cleaning, cosmetic and teeth whitening applications; tongue scrapers and tongue cleaning implements; led lamps for whitening teeth for dental purposes in Class 10 Apparatus for lighting for dental applications; lighting fixtures for cosmetic and teeth whitening applications; led lamps for cosmetic and teeth whitening applications in Class 11 Filing Basis: 66(a)

5. The above registrations are valid and subsisting and constitute prima facie evidence of the validity of the marks and registrations, and of Opposer's ownership of and exclusive right to use the marks in commerce, and provide constructive notice of Opposer's ownership. Further, Registration No. 3627254 has become incontestable pursuant to 15 U.S.C. §§ 1065 and 1115(b).

6. Examples of Opposer's SONICARE products are shown below:

Applicant and Its SONISHARE Mark

7. Applicant Jim Trading Limited is a Limited Company organized and existing under the laws of Hong Kong having an address AT 1 Harbour Road, Wanchai, Office Tower, Convention Plaza, Hong Kong 4210.

8. Applicant is the current owner of Application No. 86920659, filed on February 26, 2016 on the basis of intent to use under 15 U.S.C. § 1051(b), for the mark SONISHARE for “replacement toothbrush heads” in International Class 21. The application was published for opposition on June 7, 2016.

9. Opposer has never authorized or consented to Applicant’s use or registration of the SONISHARE mark for any products or services.

10. The Examining Attorney assigned to Application No. 86920659 approved it for publication after conducting a limited search using the parameters *sonishar* and “soni share,” which did not reveal Opposer’s SONICARE mark.

Count I: Likelihood of Confusion, 15 U.S.C. § 1052(d)

11. Opposer repeats and realleges each and every allegation set forth in each of the preceding paragraphs.

12. Opposer has priority based on its prior valid and subsisting registrations for its SONICARE marks set forth in Paragraph 3 above, and the continued use of its well-known SONICARE mark.

13. The “replacement toothbrush heads” products identified in the subject application are the same types of products previously offered and sold by Opposer under its SONICARE mark, and some of the goods specified in Opposer’s registrations for its SONICARE mark.

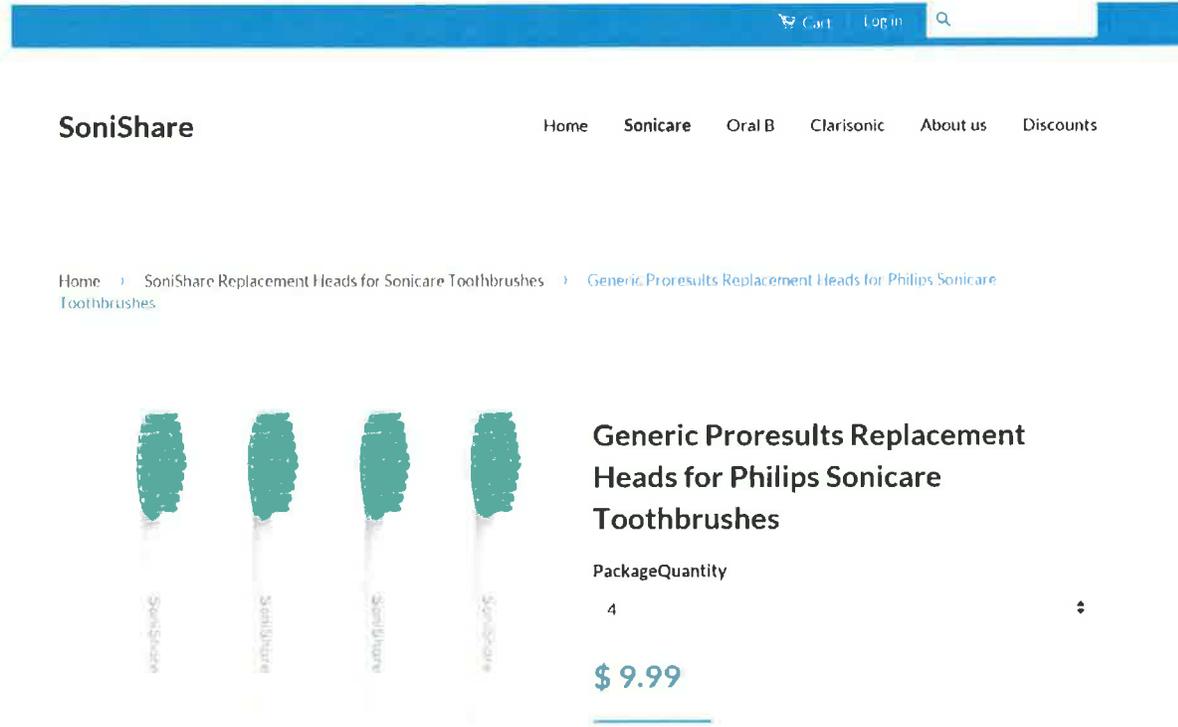

14. Upon information and belief, Applicant or an entity that appears to be associated with Applicant, is connected with the website www.sonishare.com offering SONISHARE replacement toothbrush heads, and selling SONISHARE replacement toothbrush heads on Amazon:

15. Applicant's adoption of the SONISHARE mark is in bad faith and is intended to create consumer confusion.

16. Irrespective of whether Applicant is connected with the www.sonishare.com website and the sales of SONISHARE toothbrush heads on Amazon, both of which commenced at about the same time Applicant filed its trademark application, the promotion and advertising of such products on these platforms underscores the confusing similarity between SONICARE

and SONISHARE. Screenshots from the www.sonishare.com website and Amazon page are shown below:

SoniShare Premium Replacement Toothbrush Heads for Philips Sonicare Diamond Clean, 4 Pack from SoniShare

★★★★★ - 354 customer reviews

17. Ensuring that consumer confusion occurs, the www.sonishare.com website and Amazon offerings contain a number of misleading statements using Opposer's SONICARE mark, such as stating that the seller behind such products "provide[s] the highest quality Sonicare toothbrush heads on Amazon," and that "our easy 'Push On' sonicare replacement heads provide easy installation and removal":

- PROTECT YOUR SMILE - Our brush heads are better at removing plaque, decreasing the chance of gingivitis when compared to a manual toothbrush.
- HIGH COMPATIBILITY - Our easy "Push On" sonicare replacement heads provide easy installation and removal. Compatible with the following Sonicare Handles: Diamond Clean, Flex Care, FlexCare +, Healthy White, and Easy Clean. (Complete list of compatible models in description below)
- SUPERIOR QUALITY - We provide the highest quality Sonicare toothbrush heads on Amazon. 100% Satisfaction Guarantee
- FUNCTIONAL DESIGN - Our contoured field of bristles are designed to fit the natural shape of your teeth.
- 12 MONTH SUPPLY - 4 Proresults replacement brush heads provide 12 months of high quality effective brushing.

18. Applicant, its SONISHARE mark, and the above referenced business activities are not associated with or approved or authorized by Opposer or Opposer's genuine SONICARE products.

19. Predictably, the use of the name SONISHARE for replacement toothbrush heads noted above has succeeded in causing consumer confusion, which will continue if Applicant's trademark is allowed to register. For example, purchasers of SONISHARE products on Amazon have stated in customer reviews:

- "Be aware... these are knock offs and not Sonic Care products. They come apart, don't fit snugly on the brush handle and in general are not high quality." See https://www.amazon.com/gp/customer-reviews/R2F9CN0XDZIQ8/ref=cm_cr_getr_d_rvw_ttl?ie=UTF8&ASIN=B019EPYTYO
- "Admittedly, it was my fault for not looking closer when I ordered these as I thought I was ordering the actual Phillips Sonicare replacement heads. But when they arrived I thought "give them a try". So I did. I don't know if there is a difference in price or not, but I would not want these again even if they were free. The brushes seem much softer, but I have no way to measure that as I do not currently have any Phillips new ones, so I can't be sure. The brush definitely did not fit as well and left a big gap between the handle and the bottom of the brush head. The brush handle is also shorter than the Phillips replacement heads. And the part of the head that holds the bristles is also thicker than the genuine Phillips heads **I think that in spirit if not in law, naming a "generic" product so closely to the name of the actual product ("SoniShare instead of Sonicare") is most definitely deceptive if not actually fraud. (emphasis added)** Believe me, I will NOT order these again and I will hereafter be very vigilant in insuring that I am ordering the replacement heads make by Phillips." See https://www.amazon.com/gp/customer-reviews/R2RGF8XMH0WEDL/ref=cm_cr_getr_d_rvw_ttl?ie=UTF8&ASIN=B019EPYTYO

20. In view of the similarities of the parties' marks and their uses, and the nature of the parties' goods, and Applicant's bad faith and calculated efforts to confuse consumers,

Applicant's SONISHARE mark so resembles Opposer's previously used and previously registered SONICARE mark as to be likely to cause confusion, or to cause mistake, or to deceive in violation of Section 2(d), 15 U.S.C. § 1052(d).

Count II: Dilution, 15 U.S.C. § 1125(c)

21. Opposer repeats and realleges each and every allegation set forth in each of the preceding paragraphs.

22. Opposer's SONICARE mark is inherently distinctive and registered on the Principal Register, and is widely recognized by the general consuming public of the United States as a designation of source of the goods offered in connection with the mark.

23. Opposer and its predecessor in interest have used the SONICARE mark for well over two decades, generating substantial revenues, substantial acclaim, and widespread publicity concerning the mark.

24. Opposer's SONICARE mark became famous well prior to the February 26, 2016 filing date of the opposed Application Serial No. 86920659 and any date of first use that may be alleged by Applicant.

25. Applicant's SONISHARE mark so closely resembles Opposer's famous and distinctive SONICARE mark that it is likely to dilute the distinctive quality of Opposer's SONICARE mark in violation of Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

WHEREFORE, Opposer is being damaged by the use of the name SONISHARE for replacement toothbrush heads and will be damaged by registration of the mark shown in Application No. 86920659, and respectfully requests that this opposition be sustained and that registration to Applicant be refused.

A filing fee has been submitted electronically. If the filing fee is found to be insufficient for any reason, please charge such deficiency to our Deposit Account No. 06-0916.
