NOTICE OF OPPOSITION

Opposer, Bayerische Motoren Werke Aktiengesellschaft (hereinafter “Opposer” or “BMW”), a German corporation with its principal place of business at Petuelring 130, 80809 Munich, Federal Republic of Germany, believes that it will be damaged by the registration of the mark shown in Application Serial No. 86/936,819, and therefore opposes registration of the same under Section 13 of the Trademark Act of 1946, 15 U.S.C. § 1063.

The grounds for opposition are as follows:

1. Application Serial No. 86/936,819 filed by Marion Body Works, Inc. (hereinafter “Applicant” or “Marion Body”) seeks registration of a stylized M mark (hereinafter, the “opposed application”) for, among other goods, “mud flaps for vehicles” in International Class 12.

2. The opposed application was filed on March 11, 2016 based on Applicant’s intent-to-use the mark in commerce.

3. The opposed application was published for opposition in the *Trademark Official Gazette* on August 2, 2016. BMW timely filed an extension of the opposition period to November 30, 2016.

4. Opposer, BMW, is engaged in the business of designing, manufacturing, selling, repairing, and maintaining automobiles, wheels and other parts and accessories under various marks including the M Logo, and the word marks M CERTIFIED, M THE MOST POWERFUL LETTER IN THE WORLD, M PERFORMANCE, MDRIVE, M POWER, and BMW M (the “BMW M Marks”).

5. BMW has used its M Logo in commerce in the United States continuously since at least as early as 1985, and long prior to the filing of the opposed application, in connection with automobiles. BMW has also used the BMW M Marks in connection with automobile parts, retail services featuring automobiles and parts, repair and maintenance services, and related goods and services long prior to the filing of the opposed application.

6. BMW is the owner of numerous U.S. registrations for the BMW M Marks including the following (registration certificates and TSDR print-outs attached as Exhibit A):

All of BMW's Registrations identified in the chart above are valid and subsisting and *prima facie* evidence of the validity thereof and of BMW's ownership and exclusive right to use the BMW M Marks in commerce, and are constructive notice of BMW's ownership thereof, all as provided by §§ 7(b) and 22 of the Federal Trademark Act of 1946, as amended. Additionally, Reg. Nos. 1,438,545, 2,683,597, 3,586,501, 3,767,662, 3,767,663, and 3,526,899 are incontestable under 15 U.S.C. §1065, and are therefore conclusive evidence of the validity of the registered marks, of BMW's ownership of the marks and of BMW's exclusive right to use the mark with the covered goods.

7. BMW has prominently and extensively used, promoted, and advertised the BMW M Marks for products and services through varied promotional and advertising media, expending millions of dollars in connection with such advertising efforts.

8. As a result of BMW's long and continuous use of the BMW M Marks and its substantial investment in advertising and promotion, consumers have come to recognize the BMW M Marks as uniquely associated with BMW and an indication of origin in BMW, as a consequence of which BMW has established valuable goodwill and exclusive rights in the BMW M Marks.

9. Applicant's proposed use of the stylized M mark covered by the opposed application in the United States is intended to commercialize and trade off the distinctiveness of the BMW M Marks, which have acquired renown in connection with automobiles, automobile parts, retail store services, repair and maintenance services, and related goods and services.

10. Applicant is not affiliated with or sponsored by BMW, and has never been authorized by BMW or any of its subsidiaries, affiliates or authorized agents to use the BMW M Marks or any of BMW's other marks in any form.

11. Applicant's alleged stylized M mark is similar in sound, appearance, and commercial impression to Opposer's BMW M Marks and is likely to cause confusion, or to cause mistake, or to deceive.

12. Applicant's "mud flaps for vehicles" are identical and/or closely related to the goods and services covered by BMW's registrations for the BMW M Marks, and are sold through the same or overlapping trade channels, and to the same or overlapping consumers. Therefore, consumers are likely to be confused, mistaken or deceived into the belief, contrary to fact, that the goods offered by Applicant under the stylized M mark emanate from and/or are in some way sponsored or approved by BMW, and/or that Applicant is somehow affiliated with BMW, thereby damaging BMW.

13. Applicant's alleged stylized M mark so closely resembles BMW's previously used and registered BMW M Marks in appearance and commercial impression so as to be likely to cause confusion, mistake or deception under Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d).

14. If Applicant's mark is registered, Applicant will receive a *prima facie* nationwide exclusive right to use a mark that is likely to cause confusion as to source, sponsorship and

affiliation with Opposer's BMW M Marks in commerce and, as such, would be inconsistent with Opposer's rights.

WHEREFORE, for the foregoing reasons, BMW respectfully requests that the present opposition be sustained in favor of BMW and that registration of Application Serial No. 86/936,819 be refused for "mud flaps for vehicles."

Respectfully submitted,
