**REQUEST FOR EXTENSION OF TIME TO RESPOND
TO THE BOARD'S ORDER MAIL DATED March 30, 2004**

The undersigned has received a copy of the Board's Order of mailing date March 30, 2004, instructing Respondent to show cause within thirty (30) days of the mailing date as to why judgment should not be entered accordingly. However, the undersigned only saw this Order late in the evening of Tuesday, April 27, 2004, at the end of the first day of a three day mediation he has been conducting in an unrelated matter. It may be that the Order did not arrive in the undersigned's office until recently, and our office records indicate that it was docketed over the weekend (April 24), but it has only recently come to light. The undersigned has placed a call to the Respondent in order to determine the substance of what would be responsive to the Board, but as of late on the afternoon of April 29, 2004, Respondent and the undersigned have not yet been able to make contact.

On behalf of the Respondent, the undersigned therefore respectfully requests a fifteen (15) day extension of the time limit in which to Respondent may respond as the Board has instructed. This short extension will permit Respondent and the undersigned

to determine the true state of facts and in the circumstances of this matter will certainly not cause any prejudice or harm to any party. Respondent and the undersigned appreciate this courtesy.

WHEREFORE, the Respondent respectfully requests a fifteen (15) day extension from the date hereof in which to respond to the Board's Order of mailing date March 30, 2004 and for such other and further relief as to which it may be justly entitled.

Respectfully submitted,
