Nancy L. Omelko, Interlocutory Attorney:

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until **six months** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting the time for respondent to file an answer or other response to the petition for cancellation.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.

NOTE: The parties have been granted extensions or suspensions of this proceeding since 2000. The parties are

reminded that the Board is not a Court, but an administrative tribunal with jurisdiction over the question of registrability only. See Section 17 of the Trademark Act. If the parties agree to another extension or suspension, they will be expected to report to the Board on the progress of discovery, or of any ongoing settlement negotiations.

Such report must include: a recitation of discovery taken to date, a statement of issues that have been resolved and issues that remain to be resolved, and a firm timetable for resolution.

Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.
