v.

Xavier Pierre Tancogne

Jyll S. Taylor, Attorney:

On April 25, 2002, respondent filed a combined motion to set aside the notice of default and for suspension of this matter pending disposition of a civil action between the parties. It is noted, however, that respondent did not serve a copy of the motion on counsel for petitioner as required by Trademark Rule 2.119. Accordingly, no consideration will be given to the motion until it is served on petitioner and proof of such service is filed with the Board. In this regard, respondent is allowed until thirty days from the mailing date of this order to effect service, failing which no further consideration will be given to the motion.

Proceedings herein are otherwise suspended.
