The parties stipulated motion (filed August 14, 2002) to suspend proceedings is noted and granted to the extent indicated below.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are **suspended until six months** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting petitioner's testimony period.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
