The registrant's consented motion (filed August 4, 2003 with a certificate of mailing dated July 31, 2003) for continued suspension of proceedings is noted.

Accordingly, proceedings herein ***remain suspended until SIX MONTHS*** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting the time for respondent to file an answer or other response to the petition for cancellation.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
