The U.S. Postal Service in error returned the copy of the Board's order dated July 16, 2002 forwarded to petitioner's counsel as undeliverable.

A review of the file as well as speaking with counsel for opposer states that the address listed on the envelope is in fact the correct address. Accordingly, a copy of the Board's notice is being resent to the petitioner's counsel.

Sorry for any inconvenience.

The time for respondent to respond remains as set in the Board's order dated July 16, 2002.
