Cancellation No. 40,946

DOBLE ENGINEERING COMPANY

v.

RELIABLE POWER METERS

Petitioner, without the written consent of respondent, filed a "Motion to Dismiss" on December 30, 2003. This filing is being treated as a withdrawal of the petition for cancellation.

Trademark Rule 2.114(c) provides that after an answer is filed, the petition for cancellation may not be withdrawn without prejudice except with the written consent of respondent.

In view thereof, and because the withdrawal was filed after answer, the petition for cancellation is dismissed with prejudice.
