**REQUEST TO EXTEND THE
TESTIMONY TIMES**

Petitioner hereby requests a two month extension of all testimony period-related times. The discovery period is now closed although the parties have stipulated to allow Opposer's Rule 30(b)(6) deposition to be taken outside of the discovery period at a time and place to be agreed upon. Opposer's testimony period is presently scheduled to open on June 16, 2003. Opposer now requires additional time to prepare for the opening of its testimony period while at the same time scheduling and participating in the Rule 30(b)(6) deposition. If granted, this extension will have the effect of extending the closing dates for periods within which to take action, as follows:

30-day testimony period for party in position of plaintiff to close:	September 16, 2003
30 day testimony period for party in position of defendant to close:	November 15, 2003
15-day rebuttal testimony period for plaintiff to close:	December 29, 2003.

Granting of this request is respectfully requested.
