Ref: Reg. No. 2576808 petition for cancellation

Dear Sirs:

We have moved offices and hence did not have the notice from the petitioner or paperwork related to this request from your office until lately and hence we are a little late in responding.

Our response to the Petitioner's claim is as follows:

We dispute the Petitioner's points 5a and 5b.

The Licensing agreement clearly spells out that the agreement grants the Licensee the exclusive right to sell advertising on and through the website entitled NY-Exotics.com, all other rights are reserved by Licensor.

The Petitioner does not have any ownership of the trademarks under their licensing agreement or any other agreements. There is no record anywhere of the existence of an amended agreement dated March 05, 2001. Notwithstanding the existence of this agreement, the Licensee at no time has been granted any other rights except the exclusive right to sell advertising.

Exotics USA LLC sold all its assets on May 31, 1999 to Exotics.com Inc. and Exotics.com Inc. is the owner of all trademarks as noted on Reg. No.2576808.

In keeping that the Petitioner's arguments are not valid, we ask that your office reject the Petitioner's application.

Yours truly,

Ingo Mueller
President
