v.

BIO-RAD LABORATORIES, INC.

Eric McWilliams, Paralegal Specialist

Applicant's consented motion filed January 3, 2005, to suspend proceedings is granted as requested.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until June 29, 2005, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations by June 29, 2005, the Board will issue an order resuming proceedings and resetting trial dates, commencing with plaintiff's testimony period.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
