Ms. Walewitsch's transcript was inadvertently filed not under seal by the undersigned, who takes full responsibility for the unfortunate error. Gold Star seeks to have the transcript withdrawn, while reserving the right to have the "Trade Secret/Commercially Sensitive" designation stricken pursuant to the Protective Order herein. A suitable Motion for that relief will be filed presently.

For purposes of this Motion, however, the content of the deposition is understood to be irrelevant, and the transcript should have been filed initially under seal, even while Gold Star moved to have the designation withdrawn.

Again, the undersigned regrets the error, and seeks the Board's earliest consideration of this Motion to remove the deposition from the public record and place it under seal pending a resolution of the soon-to-be-filed Motion to withdraw what is believed to be its improper designation.

Respectfully submitted,  
COHEN, PONTANI, LIEBERMAN & PAVANE
