Cancellation No. 92042915

GFI AMERICA, INC

v.

GFA Brands, Inc.

**Clara Vela, Paralegal Specialist**

Registrant's response (filed September 29, 2004) to the Board's order dated September 24, 2004, in which registrant was required to submit a properly-executed request to amend its registration and the appropriate fee, is noted.

By the proposed amendment respondent seeks to change the identification of goods **from** " Cheese, lowfat and nonfat cheese substitutes, butter substitutes, margarine, lowfat and nonfat margarine substitutes, shortening, lowfat and nonfat shortening, snack food dips and vegetable oils " **to** "Cheese, lowfat and nonfat cheese substitutes, butter substitutes, margarine, lowfat and nonfat margarine substitutes."

Inasmuch as the amendment now complies with all of the procedural requirements of Trademark Rule 2.173, is clearly limiting in nature, and petitioner consents thereto, it is approved. See Trademark Rule 2.133(a).

The registration file will be forwarded to the Post Registration Branch of this Office for appropriate action in accordance with Section 7(e) of the Trademark Act.

The contingency in petitioner's withdrawal<sup>1</sup> having now been met, the petition to cancel is dismissed without prejudice.

<sup>1</sup> The Board has considered registrant's consent that was included with the petitioner's motion to withdraw the petition to cancel on August 24, 2004.
