ARTURO SANTANA GALLEGO

v.

SANTANA'S GRILL, INC.

Cindy B. Greenbaum, Attorney:

Inasmuch as there is no indication in the record that plaintiff has noticed a testimonial deposition on written question, defendant's motion to require the deposition to be taken by oral examination is denied as premature.¹

Dates remain as set.

¹ The Board notes that plaintiff's attorney confirmed in a March 22, 2006 telephone message to the interlocutory attorney that the record currently is complete.
