v.

Deutsche Telekom AG

**Tyrone Craven, Paralegal:**

On May 2, 2005, petitioner filed its consent to registrant's proposed amendment to its Registration No. 2712615, filed January 18, 2005, and withdrew the petition to cancel.

By the proposed amendment registrant seeks to delete from its registration the [bracketed] services in International Class 39: "[Transport of goods via truck, plane, boat and railway]; warehouse storage." Inasmuch as the amendment complies with all of the procedural requirements of Trademark Rule 2.173, it is clearly limiting in nature, and petitioner consents thereto, it is approved. See Trademark Rule 2.133(a). Hereafter, International Class 39 will include only "warehouse storage."

The registration file will be forwarded to the Post Registration Branch of this Office for appropriate action in accordance with Section 7(e) of the Trademark Act.

Pursuant to petitioner's withdrawal, the petition to cancel is dismissed.
