OMNOVA SOLUTIONS, INC.,

Petitioner;

Cancellation No. 92043900

v.

THE DIE GEM CO., INC.,

Respondent.

Respondent The Die-Gem Co., Inc Reply to Petitioners OMNOVA
Solutions Inc. Motion to Compel And Extend Discovery

Respondent The Die-Gem Co., Inc. believes that the Discovery Period is closed and should remain closed and that the Respondent The Die-Gem Co., Inc. should not be compelled.

Petitioners OMNOVA Solutions Inc. has had the answer to their Discovery queries for one year, May 30, 2005, in the Answer to Petition to Cancel 92043900. As well, the Representative for Petitioner OMNOVA Solutions Inc. has been allowed to review Trade Secret information. The information disclosed from these two sources more than answers the Petitioner OMNOVA Solutions Inc. false accusations and discovery request. Further The Die-Gem Co., Inc. has declared to the use, continued use, and plans for future use of the mark PEEL N STICK to The United States Patent and Trademark Office and was

06-05-2006

U.S. Patent & TMOtc/TM Mail Rcpt Dt. #72

granted in June 2005 a 10-year extension. Further, the Die-Gem Co., Inc. has protected and continues to protect the mark PEEL N STICK.

Hundreds of hours have been allocated to the defense and protection of mark PEEL N STICK.

Detail of Response to Discovery

1. Particularization to each query and request was given. Detailed answers were given to any answer sought that had not been given or data provided prior to Discovery.
2. Certain queries were intrinsic to the information marked Trade Secret and could not be answered without revealing other Trade Secrets.
3. Information concerning the product make-up if revealed could be used by anyone. There are many applications where this information could be applied not including weatherization products.

Further to the Information Not Revealed

The Petitioner OMNOVA Solutions Inc. is a large Company with two Research & Development facilities with Analytical Laboratories. The Petitioner OMNOVA Solutions Inc. also has ongoing research with several Universities. The Respondent The Die-Gem Co., Inc. as a small Company wonders why the Petitioner OMNOVA Solutions Inc. would want to waste the Trademark Trial and Appeal Board's time by asking The Respondent The Die-Gem Co., Inc. questions they are better able to answer.

The product line of the Respondent The Die-Gem Co., Inc. has been available since 1971 to the general public. Further, the product line of the Respondent The Die-Gem Co., Inc. has been available on line to the public since 2001. The Petitioner OMNOVA Solutions Inc. may have purchased and found the information they were looking for over the last two years or earlier, a time period we are not cognizant of, the Petitioner OMNOVA Solutions Inc. has had the opportunity to examine the Respondent The Die-Gem Co., Inc. product line. What the Petitioner OMNOVA Solutions Inc. did present were fabrications.

The Fabrications

A. The Respondent The Die-Gem Co., Inc. would like to reminded Trademark Trial and Appeal Board that the Petitioner OMNOVA Solutions Inc. has stated in their Petition, "Petitioners OMNOVA Solutions Inc. believes and alleges that Respondent has abandoned the mark "PEEL N STICK," has made no use of it in connection with any goods for at least three consecutive years preceding the filing of this claim (October 2001) for cancellation, and has no intent to resume such use." The complete Petition to cancel 92043900 see Attachment #1. To reiterate the proof sighted many times JPEGs of our literature are available on line at www.kel-eezweatherization.com and have been available to the public by fax and or mail and at exhibits and other venues. Many avenues for relevant information were and are available to the Petitioner OMNOVA Solutions Inc. Petitioner OMNOVA Solutions Inc. states, in the Petition #92043900, that their efforts showed no results. Relevant Search Information presented to the Trademark Trial and Appeal Board May 30, 2005 by the Respondent The Die-Gem Co., Inc of the

Internet shows overwhelmingly mark PEEL N STICK was 1 or 2 in the many searches.

Attachment # 2

B. “Petitioner, Omnova Solutions, Inc., pursuant to Trademark Rule 2.111, hereby petitions to cancel Registration No. 1,384,270 of Respondent “ The Die Gem Co., Inc. The Respondent The Die-Gem Co., Inc. believes the Trademark Trial and Appeal Board should be asking the Petitioner OMNOVA Solutions Inc. why Petition #92043900 does not show bad faith and as such, the Petition # 92043900 should be terminated with prejudice. .

C. “As a result of Respondent's failure to use the Mark "PEEL N STICK" and lack of intent to resume such use, the mark has become abandoned for purposes of Section 45 of the Trademark Act, 15 U.S.C. ~ 1127”. The Respondent The Die-Gem Co., Inc. Inc. currently advertises the mark PEEL N STICK in Thomas Register and on the Internet? These are some of the visible efforts of the Respondent The Die-Gem Co., Inc. is and has made to protect the valuable mark PEEL N STICK

Response to (False) Allegation of the Petitioner OMNOVA

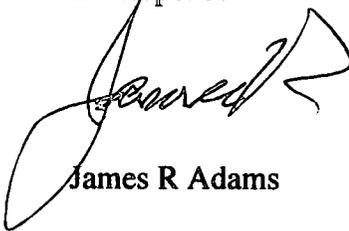

Solutions Inc.

Respondent's The Die Gem Co., Inc. believes it has covered the full scope of the allegations brought in the Petition to Cancel 92043900. Further, Respondent's The Die

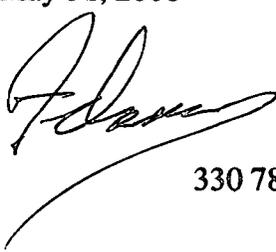

Gem Co., Inc. has and is protecting the Mark PEEL N STICK and has made every effort to cooperate with the Trademark Trial and Appeal Board and to answer any and all relevant queries. Respondent's The Die Gem Co., Inc. believes that the Petition # 92043900 is a fraud and is a waste of the valuable time of the Trademark Trial and Appeal Board. The continuation of this Proceeding seriously hampers Respondent's The Die Gem Co., Inc., a small company with limited resources, from protecting the Mark PEEL N STICK. Respondent's The Die Gem Co., Inc is aware of a serious breach in the use of the Mark PEEL N STICK. And implores the Trademark Trial and Appeal Board to bring this proceeding to an end.
