**Cheryl S. Goodman, Interlocutory Attorney:**

Applicant's late answer, filed September 1, 2005, is noted. However, applicant has failed to include proof of service of a copy of the answer on opposer. Additionally, it is noted that applicant filed, on August 29, 2005, a power of attorney, which also fails to include proof of service on opposer.

Applicant is advised that Trademark Rule 2.119(a) requires that all papers filed with the Board (including electronic filings) must be served on the adverse party and that proof of service must accompany each filing, otherwise it may not be considered by the Board.

Accordingly, applicant is allowed until twenty days from the date hereof to serve the late-filed answer and the power of attorney on opposer and provide proof of service to the Board.

Proceedings herein are suspended pending submission of proof of service by applicant. Thereafter, proceedings will be resumed, and discovery and trial dates reset.
