PETITIONER'S MOTION FOR EXTENSION OF TIME

Petitioner, J. Christopher Carnovale hereby moves that the time within which he may answer or otherwise respond to Registrant's first set of interrogatories and request for production be extended for a period of thirty (30) days, to and including July 26, 2008.

The additional time is not being requested for the purposes of delay, but is needed to enable Petitioner to continue gathering information and relevant documents to respond to the discovery requests. Petitioner's counsel contacted Registrant's counsel who stated that he would confirm whether his client consented to this extension of time no later than today. As yet, Petitioner has received no further communication from Registrant, thus, making this motion necessary.
