Ecolab Inc.

v.

Melaleuca, Inc.

**Andrew P. Baxley, Interlocutory Attorney:**

Opposer's consented motion (filed December 20, 2007) to extend discovery and testimony periods is granted.

Discovery and testimony periods are reset in accordance with the schedule set forth in that motion.

The Board notes that this proceeding has been pending for nearly two and a half years and that the discovery period has yet to close. Any further request to extend or suspend must include a detailed recitation of facts constituting good cause for the extension sought. See Trademark Rule 2.117(c). Failure to include such recitation may result in a denial of that request.
