v.

Pictometry International
Corp.

Angela Lykos, Interlocutory Attorney

On December 22, 2005, the Board suspended proceedings pending disposition of petitioner's motion to compel. On the same date, petitioner filed a motion for summary judgment. Insofar as it appears that the Board's suspension order and petitioner's motion for summary judgment crossed in the mail, the Board will consider petitioner's motion for summary judgment.

Proceedings herein are suspended pending disposition of the motion for summary judgment and motion to compel. Any paper filed during the pendency of these motions which is not relevant thereto will be given no consideration. See Trademark Rule 2.127(d).
