Cancellation No. 92044823

M7 AEROSPACE LP

v.

Pictometry International  
Corp.

On January 18, 2006, respondent filed a voluntary surrender under Section 7(e) of the Trademark Act of its Registration No. 2837858.

Trademark Rule 2.134(a) provides that if the respondent in a cancellation proceeding applies to cancel its involved registration under Section 7(e) without the written consent of every adverse party to the proceeding, judgment shall be entered against respondent.

In view thereof, and because petitioner's written consent to the voluntary surrender is not of record, judgment is hereby entered against respondent, the petition to cancel is

granted, and Registration No. 2387858 will be cancelled in due course.

In view of the foregoing, petitioner's motion to compel and motion for summary judgment are moot.
