Cancellation No. 92045288

**REGISTRANT'S REPLY TO PETITIONER'S OBJECTION TO THE MOTION
TO SUSPEND PENDING DISPOSITION OF
PETITIONER'S MOTION TO CONSOLIDATE**

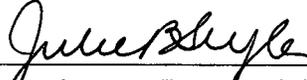

Petitioner has objected to Registrant's request that the proceedings be suspended while the Board acts on petitioner's Motion to Consolidate. Registrant has already filed its reply setting forth its reasons why the Motion to Consolidate should be denied, but herein reiterates its request that the Motion to Suspend be granted.

U.S. Patent & TMO/c/TM Mail Rcpt Dt. #22

Registrant maintains that the Motion to Suspend the above identified cancellation is warranted pending the Board's decision on Petitioner's Motion to Consolidate. The Board's decision (whether it approves the Motion, denies it, or requests further clarification from Petitioner) will substantively impact these proceedings not only from an analytical perspective, but certainly in terms of procedure and scheduling.

Registrant's Motion was never made for purposes of delay.

On a separate note, Petitioner has referred to an opposition which involves Registrant and a third party unrelated to Petitioner. That opposition has no bearing or relevancy to these proceedings herein. Further Registrant vigorously objects to any and all characterizations by Petitioner that seeks to cast Registrant in a negative light. Registrant will not dignify Petitioner's comments with a response. However, for the record, Registrant maintains that such comments and conclusions are beyond inappropriate and requests that the Board specifically strike all such references to Registrant and unrelated proceedings from the record.

Respectfully submitted,

JULIE B. SEYLER
