**CONSENTED MOTION FOR SUSPENSION OF PROCEEDINGS**

Respondent, by its attorney, hereby requests that proceedings herein be suspended for six months, subject to the right of either party to request resumption at any time prior thereto.

As grounds in support of this request for suspension, the Board is advised that the parties are in the process of discussing settlement and suspension is requested in order to maintain the status quo, while it is determined whether a settlement is possible. Respondent has sent Petitioner a draft settlement agreement and discussions are ongoing.

Counsel for Petitioner has consented to this request for suspension. In this regard, the parties agree that, in the event settlement is not possible and the case is to go forward, the Board is respectfully requested to resume proceedings and to reopen the discovery period for 60 days following the date of the Board's resumption order. Subsequent testimony periods should be extended accordingly. Re-opening of discovery is believed necessary by both parties in order to be able to complete discovery of this case in an orderly fashion.

In view of the foregoing, favorable action on this motion is respectfully requested.

Respectfully submitted,

NISSAN JIDOSHA KABUSHIKI KAISHA
