v.

NOVATECH SA

Cindy B. Greenbaum, Attorney:

Applicant's motion (filed March 5, 2007) to compel responses is noted. Opposer's motions to compel discovery (filed March 7, 2007); to reschedule testimony periods (filed March 8, 2007); notice of filing (filed March 14, 2007) and opposition to applicant's motion to compel responses (filed March 21, 2007) are also noted.

Proceedings herein are suspended pending disposition of the motion to compel, except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to respond to discovery requests which had been duly served prior to the filing of the motion to compel, nor does it toll the time for a party to appear for a discovery deposition which had been duly noticed prior to the filing of the motion to compel. See *Id.* The motion to compel will be decided in due course.
