Grey Global Group Inc.

72/275,656

v.

G2 SYSTEMS CORPORATION

On July 17, 2006, the Board issued an order instituting proceedings. On August 3, 2006, the Board's institution order was returned as undeliverable. On September 26, 2006 petitioner filed a motion for default judgment due to respondent's failure to file an answer.

Petitioner's motion for default judgment is denied as premature, in view of the institution order being returned as undeliverable.

Proceedings are presently suspended while the Board attempts to locate a better address for respondent. In the event that the Board serves notice of the cancellation proceeding by publication in the Official Gazette, an appropriate order will issue.
