Re: Roast of the Town, Inc. v. The Smith Agency, Ltd, Cancellation No.
92047262

Dear Attorney Skoro,

The law firm of Quarles & Brady LLP, where I was a law partner, was formerly representing Roast of the Town in this proceeding. Quarles withdrew from this representation because I relocated my practice to another firm. Roast of the Town is in the process of retaining new trademark counsel to replace Quarles. In the meantime, opposing counsel has sent a settlement proposal, which is being considered. Given that proposal, the need to locate new counsel and provide new counsel with an opportunity to become familiar with this dispute and related files, Roast of the Town respectfully requests that this matter remain suspended for an additional 90-day period. At the end of this period, this matter will either be settled or the parties will propose a new pretrial and trial schedule. In the meantime, future correspondence can be sent to me at the above address. Thank you for your consideration.

Sincerely,

Scott R. Goldberg
