v.

Jay-Y Enterprise Co., Inc.

**Robert H. Coggins,
Interlocutory Attorney:**

On December 1, 2009, the parties telephoned the Board to seek clarification of the current trial schedule in view of the parties' October 2 and November 23, 2009 motions to extend time. Participating in the conference were Mark Lerner, counsel for petitioner; Kenneth Wilton, counsel for respondent; and the above-signed Board attorney responsible for interlocutory matters in this case.

During the conference, petitioner's stipulated motion (filed October 2, 2009) for an extension of time was granted *nunc pro tunc*, and respondent's stipulated motion (filed November 23, 2009) for an extension of time was granted to the extent that proceedings were suspended pending

disposition of the outstanding motion to amend the answer and add counterclaims.

Also during the conference, petitioner moved to have Board records updated to reflect a change of correspondence address based on petitioner's attempted appearance of counsel (filed March 23, 2009). Respondent raised no objection to the change of correspondence address.

Accordingly, Board records have been updated to reflect Mark Lerner, of Satterlee Stephens Burke & Burke LLP, as petitioner's counsel of record in this case.

As noted above, proceedings are suspended pending disposition of the outstanding motion to amend the answer and to add counterclaims. That motion will be decided in due course.
