East West Bank - Your Financial Bridge Between East and West

East West Bank is Southern California's fourth-largest commercial bank and offers a full range of personal and business banking services. The solid and vast international presence of our parent group -- the Gajah Tunggal Group -- enables East West Bank to provide the connections and expertise our clients need to do business in today's global markets.

East West Bank - Your Financial Bridge Between East and West

East West Bank is a full-service commercial bank with 23 branches in Southern and Northern California. The bank specializes in financing international trade for California companies and lending for commercial, construction and residential real estate projects. With $2 billion in assets, East West Bank is one of the largest commercial banks in California.

- > Aimbridge Corporate

This is our temporary web site, so please excuse the rough edges. Our permanent site is under construction and will launch soon.

The Aimbridge Group, Formerly Penney Retailers
© Copyright 2001 - 2002 The Aimbridge Group

- > Dealer
- > Credit Union
- > Member

Aimbridge Indirect Lending

Formerly CU Member Lending

Here, credit union members will find a powerful, one stop destination for new and used vehicle solutions. Our tools help you shop, compare, find a dealer and more. And credit unions can instantly connect with an automotive dealer network that can do wonders for your members—and your bottom line.

Aimbridge Financial Services

Formerly Aimbridge Financial Services Network/Member Lending Financial Services

A licensed insurance agency formed to provide credit unions with a uniquely tailored portfolio of protection programs for all of their consumer, commercial, and employee benefit insurance needs. Acclaimed for leading edge programs and superior service.

Aimbridge Mortgage

A secure online mortgage lending service for credit unions that enables their members to quickly and easily access a broad array of loan products at competitive prices. We provide credit unions with thorough, professional handling of the entire mortgage process from origination to closing.

- > Dealer
- > Credit Union
- > Member

Aimbridge Leasing

Formerly Members Preferred Leasing

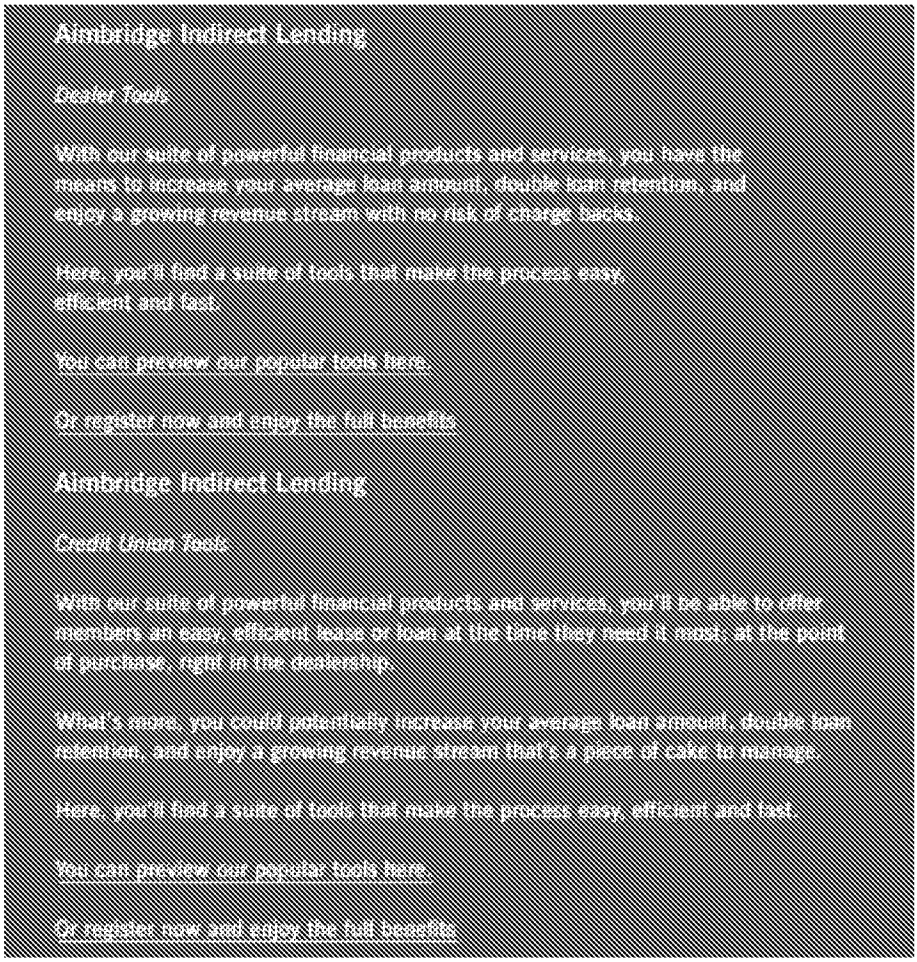
Here, credit union members can quickly and easily find the lease of their dreams. And credit unions will find a turnkey leasing program that includes training, system support and portfolio management.

Aimbridge Automotive

Including Automotive Avenues, Inc.

Now, credit union members have an attractive alternative to purchasing their vehicles from a traditional franchised dealership. We're a complete one stop new and used car and service including sales, service and parts facilities and on site financing exclusively for credit unions.

The Aimbridge Group



This link will open a new window, which is actually our old web site. There, you will be able to use the tools you need. It's clunky, we know, but only temporary. To return to our current site, simply close the tools window. The page you are on now will stay open all the while, waiting for your return.
Thanks.

The power behind the promise.

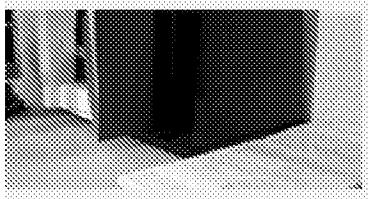
Aimbridge®: Delivering Strategic, Technology Driven Solutions For Indirect Auto Lending

Aimbridge® offers solutions to financial institutions to help them manage their indirect lending program with superior technology and expertise. By recognizing trends early and responding quickly and effectively, Aimbridge has developed a national distribution system that connects lenders with a vast automotive dealer network to provide customers and potential customers with automobile loans.
We work with lenders to ensure maximized value from their indirect auto loans. Aimbridge continues to add new lenders and grow the dealer network increasing points-of-sale.

Aimbridge is comprised of three divisions, including Aimbridge Indirect Lending, Aimbridge Financial Services and Aimbridge Disposition Services. The company is headquartered in Denver and has remote offices throughout the United States.

THE AIMBRIDGE BENEFIT



"We have seen a definite increase in our auto lending portfolio over the last few years, including a recent rise in the amount of quality paper we receive. The Aimbridge solutions enable us to build a good rapport with the dealers, expand our portfolio and provide great service to our members. It's a win-win-win situation; everyone benefits."

Danny Snyder
Executive Vice President
Orlando Federal Credit Union
