v.

Mor-Nutech, Inc.

Vionette Baez, Paralegal:

On November 17, 2007, the Board granted registrant's November 9, 2007 motion for extension of time. However, it has come to the attention of the Board, that registrant's time to file its answer to the petition to cancel should have been granted until November 24, 2007 instead of December 12, 2007.

Accordingly, the Board's order mailed November 17, 2007 is modified as follows:

Registrant's answer to the petition to cancel is due November 24, 2007. The time to respond to interrogatories, request for admissions and production of documents and things is extended until December 12, 2007.

Discovery and trial dates are reset in accordance with registrant's November 9, 2007 motion.
