v.

International Playthings LLC

Yong Oh (Richard) Kim, Interlocutory Attorney:

Respondent's consented motions (filed June 24, 2010 and August 17, 2010) to suspend proceedings to accommodate the parties' settlement negotiations are **GRANTED** and proceedings herein are suspended until **September 16, 2010**, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c). **HOWEVER**, the Board notes that well over a year has passed since the case was briefed and petitioner's request for an oral hearing was filed, and the parties' subsequent settlement negotiations have not produced a settlement to date. **Accordingly, no further extensions of the period of suspension will be granted unless the parties, by stipulation signed by both parties or their attorneys, affirmatively state that settlement in principal has been reached and the only matter that remains is reduction of the**

settlement terms to writing in a settlement agreement, in which case the Board will allow one further thirty-day extension.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume and the secretary for the Chief Administrative Judge will contact the parties to schedule an oral hearing prior to a final decision which will issue in due course.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
