i Play, Inc.

v.

International Playthings LLC

Yong Oh (Richard) Kim, Interlocutory Attorney:

As the parties appear to have entered into a settlement agreement, the parties' stipulated motion (filed October 18, 2010) to suspend proceedings to allow completion of their settlement obligations is **GRANTED** and proceedings herein are **SUSPENDED until December 31, 2010**, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c). In view of the liberal suspension now provided to allow the parties to fulfill their mutual settlement obligations and in keeping with the Board's previous order, no further extension or suspension will be granted.

Upon conclusion of the suspension period, proceedings shall resume and the secretary of the Chief Administrative Judge will contact the parties to schedule an oral hearing prior to a final decision which will issue in due course.

Cancellation No. 92048260

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
