AFFIDAVIT OF JAMES T. HOLDEN

Affiant, being first duly sworn, deposes and says as follows:

1. My name is James T. Holden. I am General Counsel and Director of Legal Services for the Applicant Rhino Linings USA, Inc.
2. On December 19, 2006, I reviewed the internet website www.rapidrack.com (the "Rapid Rack Website"), a true and accurate printed copy of which is attached hereto as Exhibit A-1.
3. The Rapid Rack Website indicates that it is posted by Rapid Rack Industries, Inc. Rapid Rack Industries, Inc. is also the owner of Registration No. 1,698,407 for the mark RHINO RACK in connection with "work tables with and without wheels, work benches, industrial shelving, large storage racks, and component parts therefor" in International Class 20.
4. The Rapid Rack Website demonstrates the goods sold by the owner of the RHINO RACK mark, which include battery racks, tire racks, bulk storage shelving, mezzanine storage, mobile aisle systems, record and archive storage shelving, steel decking, and metal stairways.

5. The Rapid Rack Website tends to indicate that these goods are primarily constructed of metal, are produced and marketed as large, bulk storage systems and related items for heavy-duty industrial use, and are distributed to businesses, stores, and/or warehouses.

Further affiant sayeth not.

Signature page attached.

Sworn to and subscribed this 20 day of December, 2006.

James T. Holden

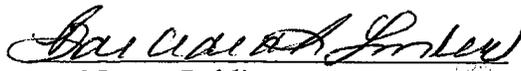

STATE OF CALIFORNIA:

COUNTY OF SAN DIEGO:

I, BARBARA R. LINKER, a Notary Public of the aforesaid County and State, do hereby certify that James T. Holden personally appeared before me on this day and acknowledged the execution of the foregoing instrument.

Witness my hand and notarial seal this 20 day of December, 2006.

Notary Public

My Commission Expires:

05-23-08

HISTORY

HOME

For over 50 years Rapid rack has manufactured material handling storage equipment for industrial and commercial applications. Our products include heavy duty boltless shelving, mezzanines, archive shelving, mobile cart shelving and mobile aisle shelving. We offer a variety of workbenches, carts, drawers and other accessories to enhance the use of shelving products.

PRODUCTS

APPLICATIONS

Rapid Rack Industries has the widest depth of components in the industry that satisfy the requirements of most customers with standard parts. Custom parts can be ordered to meet unusual needs.

FIND A DISTRIBUTOR

WARRANTY

Rapid Rack manufactures our products to strict ANSI specifications using steel in various gauges depending on the applications. Our engineering and quality control staff insure that the shelving components meet our high expectations for quality and adhere to our rigorous specifications. All products undergo multiple quality control check points to eliminate defects. Every product is finished with an oven cured powder coat paint system that provides a durable high luster finish.

ABOUT RAPID RACK

CONTACT US

The painting finish is resistant to rust and corrosive materials. Rapid Rack offers tan and grey as standard finish colors in stock with the availability of thousands of other colors and textures.

Rapid Rack Industries has 275,000 square feet of state of the art manufacturing and corporate offices in the City of Industry, California. We ship worldwide from this facility. The company employs over 300 people at the plant. We offer a full range of design capabilities and CAD operations. We can provide customers with detailed floor plans, assembly diagrams and component drawings.

Bulk Storage Shelving

Features:

- Reduces Storage Costs-Provides maximum storage per square foot of floor space
- Utilizes Available Space-Shelf sizes to 96"wide x 48"deep.
- Increased Shelf Capacity-Engineered to store greater loads than conventional shelving
- Easy to Assemble-Boltless design assembles in minutes
- Versatile-Shelves are adjustable on 1 1/2" centers. Units can easily be expanded into a complete catwalk system

Mezzanine Storage

Features:

- Total Space Utilization-Provides multiple levels to maximize storage potential
- Reduce Storage Cost-Take advantage of wasted overhead area you pay for
- Design Flexibility-Allows you to combine the features of Rapid Bulk and

Space-Saver Systems

- Efficient-Complete access to all merchandise to eliminate wasted motion

Record/Archive Storage

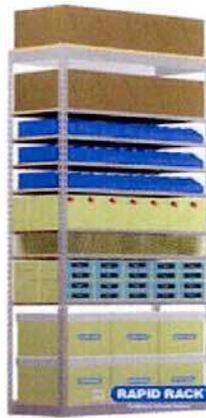

Features:

- Reduce Storage Cost Per Box-Designed to utilize shelf size and openings completely
- Provides Complete Access to Files-Single or double entry units allows quick document retrieval
- Easy to Assemble-Boltless design assemble in minutes
- Versatile-Can easily be expanded into a complete catwalk system

[Click here for more details](#)

[Product Applications](#)

[Back to listing](#)

Space-Saver Shelving

Features:

- Economical-Shelving at a fraction of the cost of outdated clip type
- Versatile-Ideal for small parts storage, literature, and stationary supplies
- Efficient-Provides multiple shelf storage to maximize storage potential
- Flexible-Adjustable in various sizes, additional shelves can be added anytime
- Easy to Assemble-Boltless design assembles in minutes. Provides a free standing unit which requires no bracing to obstruct loading

[Click here for more details](#)

[Back to listing](#)

Stairway

Features:

- Handrails of Welded Construction
- Non-skid Treads
- Available in Various Sizes

"Z" Beam Bulk Rack Shelving

Features:

- Space Saving Storage-'Z' beam design reduces shelf profile by 1/3 to increase cubic storage
- Shelf Edge Protection-All edges of the wood shelves are protected in a bulk storage unit
- Versatile-Shelf sizes to 72"wide x 48"deep. Can be developed into a catwalk system
- Completely Boltless-Assembles in minutes. No diagonal bracing to obstruct loading. Center shelf

supports drop into place. Shelves adjust on 1 1/2" increments

RAPID RACK®

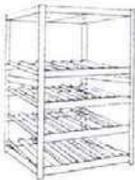

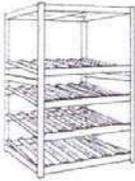

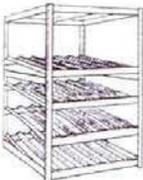

Manufacturer of Storage Solutions

BULK STORAGE Shelving

RBR-89

- Uses Double Rivet Beams for High Capacity
- Shelf Sizes Up to 96" x 48"
- Shelves Adjustable on 1 1/2" Centers
- Standard Heights to 15' Available
- Various Sizes and Shelf Capacities Available
- May Be Expanded Into a Mezzanine System When Used with APH Heavy Duty Posts. Consult Your Rapid Rack Representative for Assistance.

With the use of two Rapid Rack Tee Posts you can combine Add-On units with individual Bulk Rack units to arrange economical rows of shelving. Start each row with a Bulk Rack unit and join the desired number of Add-On units to complete the row.

EXAMPLE: 1 Starter unit and 2 Add-Ons

Angle posts from Starter unit are used at each end of the row. DRB's are required on all sides for shelf support.

MAXIMUM SINGLE SHELF CAPACITY*

BEAM TYPE / SPAN	48"	60"	72"	96"
DRB	1250#	750#	600#	
With TS Support	1750#	1200#	1000#	600#
DRC			1500#	600#
DRCHD			2000#	1500#

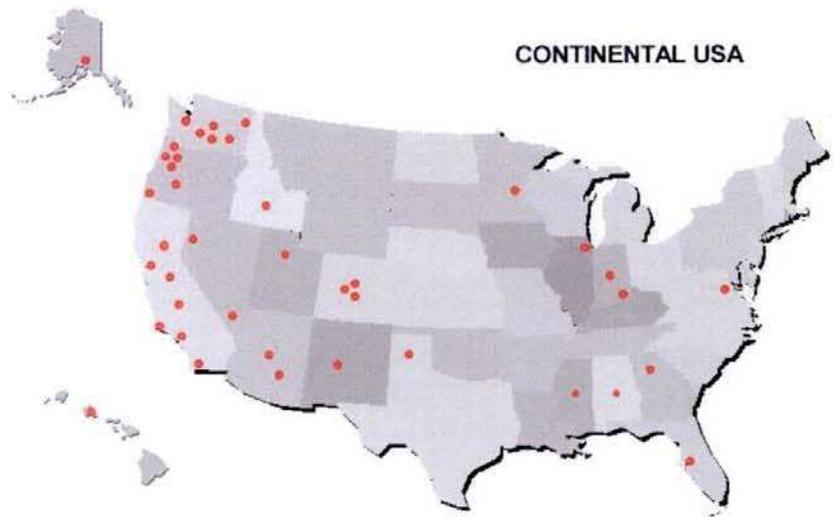

* 3/4" Particle board, evenly distributed load

SUFFIX	BEAM TYPE
None	DRB (Double Rivet Beam)
H	DRB w/ TS Support
HC	DRC (Across width), w/ TS Support
HDC	DRCHD (Across width), w/ TS Support
A	Add-On Unit

NOTES:
1) When shelving structure must conform to seismic requirements, consult your Rapid Rack representative for assistance.

2) Particle board decking available, cut to size.

[ABOUT RAPID RACK](#)

[CONTACT US](#)

The products described on this website (exclusive of wood shelves) are warranted for a period of 90 days from the date of shipment by Rapid Rack against defects in materials and workmanship. Warranty void if product is subject to misuse, abuse, alteration, accident if used for other than designated purpose, or if maximum load capabilities are exceeded. This warranty is not transferable, does not cover chipping, flaking, scratches, rust, dents, or other damage to finish or surface of products. Responsibility of Rapid Rack is limited to repair or replacement of the product. Rapid Rack is not responsible for any consequential, incidental or other damages or losses resulting from product failure.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SOME STATES DO NOT ALLOW EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES, INCIDENTAL OR CONSEQUENTIAL DAMAGES. SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS WHICH VARY FROM STATE TO STATE.

DAMAGE IN TRANSIT

For your protection, examine each shipment carefully. If there is any evidence of damage or shortage in transit, insist that the delivering carrier make appropriate notation on the freight bill before you sign it. If you concealed damage is discovered after receipt of shipment, immediately notify carrier, requesting inspection report to support your claim. Any claim for damage in transit must be filed with the delivering carrier. Rapid Rack will not accept return of merchandise damaged in transit. Your recourse is with the delivering carrier.

HISTORY

HOME

For over 50 years Rapid rack has manufactured material handling storage equipment for industrial and commercial applications. Our products include heavy duty boltless shelving, mezzanines, archive shelving, mobile cart shelving and mobile aisle shelving. We offer a variety of workbenches, carts, drawers and other accessories to enhance the use of shelving products.

PRODUCTS

APPLICATIONS

Rapid Rack Industries has the widest depth of components in the industry that satisfy the requirements of most customers with standard parts. Custom parts can be ordered to meet unusual needs.

FIND A DISTRIBUTOR

WARRANTY

Rapid Rack manufactures our products to strict ANSI specifications using steel in various gauges depending on the applications. Our engineering and quality control staff insure that the shelving components meet our high expectations for quality and adhere to our rigorous specifications. All products undergo multiple quality control check points to eliminate defects. Every product is finished with an oven cured powder coat paint system that provides a durable high luster finish.

ABOUT RAPID RACK

CONTACT US

The painting finish is resistant to rust and corrosive materials. Rapid Rack offers tan and grey as standard finish colors in stock with the availability of thousands of other colors and textures.

Rapid Rack Industries has 275,000 square feet of state of the art manufacturing and corporate offices in the City of Industry, California. We ship worldwide from this facility. The company employs over 300 people at the plant. We offer a full range of design capabilities and CAD operations. We can provide customers with detailed floor plans, assembly diagrams and component drawings.
