Re: R A Brands, LLC vs. Robert Austin Burns Jr.
Cancellation No. 92048334

Dear Attorney Coggins:

I am in receipt of a letter dated November 21, 2008 from Attorney Wharton to you in regards to those person's who may practice before office in Trademark matters (37 C.F.R.) (10.14 a, b, &c).

My letter to you on November 14, 2008 was to indicate that I would be representing myself in this matter because I haven't hired new counsel at this time.

I fully understand (under 10.14 a, b, c) that my Father Robert A. Burns Sr. cannot and is not qualified to represent me in this case but I would request the Court to allow his presence (as provided under 37 C.F.R. (10.14 e) in hearings regarding this matter.

Thank you in advance for your attention in this matter.

Yours very truly:

Robert A. Burns Jr
