MOTION FOR AN EXTENSION OF DISCOVERY AND TRIAL PERIODS

Plaintiff Victoria Vogel for VV Sterling Corporation requests that the current dates for discovery, pre-trial disclosures, and trial period be extended for 30 days and that all subsequent dates be reset accordingly.

Plaintiff has previously requested on June 4, 2008 and June 5, 2008 via email that the Initial Disclosures period be re-opened and received no response from the TTAB or otherwise. Plaintiff notes that discovery was to close as of 8/26/2008 and respectfully requests that discovery not be closed.

The grounds for the requests in this Motion are that the parties are engaged in federal court litigation. Federal court proceedings have included motions to dismiss and amending the complaint. Plaintiff will duly notify all other parties to this proceeding of Plaintiff's Motion and shall request of the relevant parties their consent to the extension and resetting of dates requested herein.

Respectfully submitted,
/susan rabin/
