Vionette Baez, Paralegal Specialist:

Petitioner's consented motion filed September 27, 2010 for suspension for settlement is noted.

Petitioner did not comply with the Board's request in its order dated September 14, 2010 which states that if the parties filed another extension or suspension that they would be expected to report the progress of any settlement negotiations. No report was filed.

In view thereof, petitioner's motion for suspension is denied.

In the event either party seeks a further extension or suspension, the parties are reminded that a proper report detailing the parties' settlement discussions must be provided to establish good cause. Such report should include: a

recitation of issues that have been resolved, issues that remain to be solved, and a firm timetable for resolution. Absent such a detailed progress report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

Trial dates including counterclaim dates remain as set in the Board's order of September 14, 2010.¹

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
