Sysco Corporation

v.

Bunzl Distribution USA, Inc.

George C. Pologeorgis, Interlocutory Attorney:

Respondent's answer filed April 28, 2008 is noted.

It has come to the Board's attention that the trial schedule set forth in respondent's electronically generated January 31, 2008 motion, did not take into consideration the conferencing and disclosure deadlines. Respondent's attention is directed to the statement on the ESTTA website, which informs the parties that they should not use the consent motions forms if the proceeding was instituted on or after November 1, 2007. Instead the parties should file its motions for suspension utilizing the general filings tab.

In view thereof, the Board's order of January 31, 2008 is modified to the extent that conferencing, disclosure, discovery and trial dates are reset as follows:
