v.

Michael Calmese

**Robert H. Coggins,
Interlocutory Attorney:**

Inasmuch as the civil action which occasioned the original suspension of this proceeding is still pending, on appeal, consideration of the outstanding motions (i.e., to strike, for default, for sanctions, and for summary judgment based on the district court determination) is suspended.

Accordingly, proceedings herein remain suspended pending final determination (including all appeals on all issues) of the civil action. See Trademark Rule 2.117(a). Within twenty days after such final determination, the parties shall so notify the Board so this case may be called up for appropriate action. During the suspension period, the parties shall notify the Board of any address changes for the parties or their attorneys.
