	<p>Correction of Registrant's Error On November 11th, 2008 Registrant was served with Interrogatories by Skeeter Products, Inc. pertaining to a Civil Case No. 8:08-cv-01065-RAL-TGW to identify and specifically and completely describe in detail all goods offered to customers by Plaintiff under the TRADEMARK, and identify by name (including trademark) and by years of sale, i.e., beginning dates and, where applicable, end dates, of each product sold. In the process of investigating the available documentation to answer this request to the best of his ability it became known to the Registrant that an error had occurred in good faith in the applications filed to re-register the Skeeta TRADEMARKS. Registrant discovered that he had inadvertently referenced the Date of First Use in Commerce of the original Skeeta Registrations (No. 2,043,892, & No. 2,047,945) for insect repelling garments, namely, shirts, jackets, pants, shawls, headwear and ponchos in Class 25, and applied it to the added Class 22 for tents in the new applications. The available documentation reveals a purchase request from The State of Alaska Department of Natural Resources for 200 tents on 7/9/1999, with payment being received on 10/26/1999, identifying a bona fide use of the mark in the ordinary course of trade to establish the Date of First Use and Date of First Use in Commerce for tents in Class 22. Furthermore, the available documentation to support the Date of First Use Anywhere for jackets and pants remains at least as early as 12/5/1993; however, a purchase of jackets on 6/8/1996 by The Riverview RV Park, and a purchase of pants on 5/23/1997 by The Prospector Outfitters, identify a bona fide use of the mark in the</p>

ordinary course of trade to establish the Date of First Use in Commerce for jackets and pants in Class 25, relative to the size of the company and seasonal type of goods sold. Therefore, Registrant files this request for correction of registrant's error in the Dates of First Use Anywhere, and Dates of First Use in Commerce to be consistent with the currently available documentation as follows; First Use Anywhere for jackets in Class 25 remains to be as early as: 12/5/1993, First Use in Commerce for jackets in Class 25 to be at least as early as: 6/8/1996, First Use Anywhere for pants in Class 25 remains to be as early as: 12/5/1993, First Use in Commerce for pants in Class 25 to be at least as early as: 5/23/1997, First Use Anywhere for tents in Class 22 to be at least as early as: 10/26/1999, First Use in Commerce for tents in Class 22 to be at least as early as: 10/26/1999. The corrected dates specified above remain prior to the application filing date of June 25, 2004, for both current U.S. Trademark Registrations No. 3,015,253 for the SKEETA and Design mark for tents in Class 22 and jackets and pants in Class 25, and No. 2,997,646 for the SKEETA word mark for tents in Class 22 and jackets and pants in Class 25. Pursuant to TBMP § 1609.10(b) Correction of Registrant's Error, under §7(h) of the Trademark Act, if a mistake in a registration occurs in good faith through the fault of the owner of the registration, the Director may correct the error upon written request and payment of the fee required by 37 C.F.R. §2.6, provided the correction does not result in a change that would require republication of the mark. The Skeeta Trademark Registrations (No. 2,997,646 and No. 3,015,253) are currently subject to cancellation proceedings (No. 92049168 and No. 92049203) with the Trademark Trial and Appeal Board (TTAB). The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true. Correction of Registrant's Error

On November 11th, 2008 Registrant was served with Interrogatories by Skeeter Products, Inc. pertaining to a Civil Case No. 8:08-cv-01065-RAL-TGW to "Identify and specifically and completely describe in detail all goods offered to customers by Plaintiff under the TRADEMARK, and identify by name (including trademark) and by years of sale, *i.e.*, beginning dates and, where applicable, end dates, of each product sold."

In the process of investigating the available documentation to answer this request to the best of his ability it became known to the Registrant that an error had occurred in good faith in the applications filed to re-register the Skeeta TRADEMARKS. Registrant discovered that he had inadvertently referenced the Date of First Use in Commerce of the original Skeeta Registrations (No. 2,043,892, & No. 2,047,945) for "insect repelling garments, namely, shirts, jackets, pants, shawls, headwear and ponchos" in Class 25, and applied it to the added Class 22 for "tents" in the new applications.

The available documentation reveals a purchase request from The State of Alaska Department of Natural Resources for 200 tents on 7/9/1999, with payment being received on 10/26/1999, identifying a bona fide use of the mark in the ordinary course of trade to establish the Date of First Use and Date of First Use in Commerce for "tents" in Class 22.

Furthermore, the available documentation to support the Date of First Use Anywhere for "jackets" and "pants" remains at least as early as 12/5/1993; however, a purchase of jackets on 6/8/1996 by The Riverview RV Park, and a purchase of pants on 5/23/1997 by The Prospector Outfitters, identify a bona fide use of the mark in the ordinary course of trade to establish the Date of First Use in Commerce for "jackets" and "pants" in Class 25, relative to the size of the company and seasonal type of goods sold.

Therefore, Registrant files this request for correction of registrant's error in the Dates of First Use Anywhere, and Dates of First Use in Commerce to be consistent with the currently available documentation as follows;

First Use Anywhere for jackets in Class 25 remains to be as early as: 12/5/1993,

First Use in Commerce for jackets in Class 25 to be at least as early as: 6/8/1996,

First Use Anywhere for pants in Class 25 remains to be as early as: 12/5/1993,

First Use in Commerce for pants in Class 25 to be at least as early as: 5/23/1997,

First Use Anywhere for tents in Class 22 to be at least as early as: 10/26/1999,

First Use in Commerce for tents in Class 22 to be at least as early as: 10/26/1999.

The corrected dates specified above remain prior to the application filing date of June 25, 2004, for both current U.S. Trademark Registrations No. 3,015,253 for the SKEETA and Design mark for "tents" in Class 22 and "jackets and pants" in Class 25, and No. 2,997,646 for the SKEETA word mark for "tents" in Class 22 and "jackets and pants" in Class 25.

Pursuant to TBMP § 1609.10(b) "Correction of Registrant's Error", under §7(h) of the Trademark Act, if a mistake in a registration occurs in good faith through the fault of the owner of the registration, the Director may correct the error upon written request and payment of the fee required by 37 C.F.R. §2.6, *provided* the correction does not result in a change that would require republication of the mark.

The Skeeta Trademark Registrations (No. 2,997,646 and No. 3,015,253) are currently subject to cancellation proceedings (No. 92049168 and No. 92049203) with the Trademark Trial and Appeal Board (TTAB).

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.
