v.

Booklab, Inc.

**Michael B. Adlin, Interlocutory Attorney:**

Proceedings herein were suspended pending final disposition of a civil action between the parties, which, according to respondent's filing of March 30, 2010, appears to have been finally decided. It appears that the civil action was the only basis for the petition to cancel. In view thereof, petitioner is allowed until **THIRTY DAYS** from the mailing date of this order to either withdraw the petition for cancellation, file an amended petition for cancellation or explain the grounds upon which it seeks to cancel respondent's registration. In the event petitioner fails to respond to this order within the time provided, the Board may issue an order to show cause why this proceeding should not be dismissed based on petitioner's apparent loss of interest in this proceeding.
