v. : Canc. No. 92049560
DM PERSONAL CARE PRODUCTS, INC. :
Registrant :

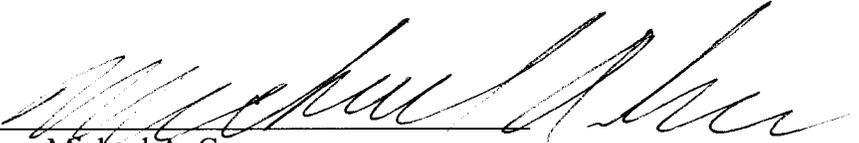

MOTION FOR SUSPENSION

Petitioner hereby moves that the above referenced proceeding be suspended for a period of ninety (90) days until December 12, 2009. Petitioner further moves that the time within which it may respond to the motion to set aside default judgment in the above referenced cancellation proceeding be extended until January 11, 2010.

This request is not being made for the purpose of delay. The parties have reached a settlement. However, before the settlement will be finalized certain steps must be taken with the Patent and Trademark Office. The Office has raised an objection to the submission made by the parties and a revised submission is being prepared. It is believed that the suspension will provide the time necessary for these steps to be taken by the Office and to resolve all outstanding issues.

Counsel for Registrant has agreed to the granting of this motion.
