Cancellation No. 92050082

Illustrated Escapes, Inc.

v.

Zhennya Slootskin

**M. Catherine Faint,  
Interlocutory Attorney:**

On February 13, 2009, registrant filed a proposed amendment to its Registration No. 3336244, with petitioner's consent, and on, February 20, 2009, the parties filed a stipulated withdrawal of the petition to cancel without prejudice, contingent upon entry of the amendment.

By the proposed amendment registrant seeks to delete the opposed Class 25 only from the identification of goods. The remaining Class 39 will remain unchanged.

While the amendment is clearly limiting in nature, and petitioner consents thereto, as required under Trademark Rules 2.133(a) and 2.173(b), the appropriate fee has not been paid. See Trademark Rules 2.6 and 2.173.

Accordingly, registrant is allowed thirty days from the mailing date of this order to submit the appropriate fee,

failing which the proposed amendment will be given no further consideration.

Proceedings are otherwise suspended.<sup>1</sup>

**NEWS FROM THE TTAB:**

The USPTO published a notice of final rulemaking in the Federal Register on August 1, 2007, at 72 F.R. 42242. By this notice, various rules governing Trademark Trial and Appeal Board inter partes proceedings are amended. Certain amendments have an effective date of August 31, 2007, while most have an effective date of November 1, 2007. For further information, the parties are referred to a reprint of the final rule and a chart summarizing the affected rules, their changes, and effective dates, both viewable on the USPTO website via these web addresses:  
<http://www.uspto.gov/web/offices/com/sol/notices/72fr42242.pdf>

By one rule change effective August 31, 2007, the Board's standard protective order is made applicable to all TTAB inter partes cases, whether already pending or commenced on or after that date. However, as explained in the final rule and chart, this change will not affect any case in which any protective order has already been approved or imposed by the Board. Further, as explained in the final rule, parties are free to agree to a substitute protective order or to supplement or amend the standard order even after August 31, 2007, subject to Board approval. The standard protective order can be viewed using the following web address:
