Cancellation No. 92050082

Illustrated Escapes, Inc.

v.

Zhennya Slootskin

On February 26, 2009, the Board allowed registrant thirty days in which to submit the appropriate fee for its proposed amendment to Registration No. 3336244 filed February 20, 2009.

On February 27, 2009, registrant submitted the appropriate fee. In view thereof, proceedings are hereby resumed.

By the proposed amendment registrant seeks to delete the opposed Class 25 only from the identification of goods.

Inasmuch as the amendment complies with all of the procedural requirements of Trademark Rule 2.173, it is clearly limiting in nature, and petitioner consents thereto, the amendment is approved. International Class 25 has been deleted from the identification of goods by the Post Registration Branch of this Office on March 4, 2009. See Trademark Rule 2.133(a).

The contingency in petitioner's withdrawal having now been met, the petition to cancel is dismissed without prejudice.¹

¹The remaining Class 39 remains unchanged.
