v.

Unicom Systems, Inc.

Andrew P. Baxley, Interlocutory Attorney:

The stipulated protective agreement filed on February 13, 2009 is noted. The parties are referred, as appropriate, to TBMP Sections 412.03, 412.04, and 412.05 (2d ed. rev. 2004).

The parties are advised that only confidential or trade secret information should be filed pursuant to a stipulated protective agreement. Such an agreement may not be used as a means of circumventing Trademark Rules 2.27(d) and (e), which provide, in essence, that the file of a published application or issued registration, and all proceedings relating thereto, should otherwise be available for public inspection.
