**REGISTRANT'S STATUS REPORT ON SUSPENDED PROCEEDINGS DURING  
PENDENCY OF CIVIL ACTION**

Lindora, Inc. ("Registrant") submits the following status report regarding the stay issued by the Board pending the determination of a civil action filed against petitioner Riowell, LLC ("Petitioner") in federal court for trademark infringement and trademark dilution (the "Federal Action").

The parties have reached a settlement that disposes of the Federal Action and this action, and are currently reducing the terms to writing. The parties notified the federal court of the settlement reached.

On March 23, 2011, after being notified of the settlement, the federal court dismissed the Federal Action without prejudice, with the right, upon good cause being shown, to reopen the action within 75 days (on or before June 6, 2011) if settlement is not consummated. (See Exhibit 1.)

Accordingly, the parties request that the Board continue to have the stay in effect until the parties finalize all settlement documents, which shall be no later than June 6, 2011. If settlement is consummated before June 6, 2011, the parties will notify the Board. If settlement is not consummated and the Federal Action is reopened, the parties will immediately notify the Board of the reopening.

DATED: April 12, 2011

Respectfully submitted,
