Opposition No. 92050920

Intellect Technical Solutions,
Inc.

v.

Milena Soni

Frances S. Wolfson, Interlocutory Attorney:

Proceedings herein are suspended pending disposition of the amended motion to compel (filed April 26, 2010) and motion for leave to amend the petition to cancel (filed March 10, 2010), except as discussed below. The parties should not file any paper which is not germane to the amended motion to compel and motion for leave to amend. See Trademark Rule 2.120(e)(2).

The amended motion to compel filed April 26, 2010 is the operative motion to compel in this case. In view thereof, respondent's motion (filed April 13, 2010) to extend its time to respond to the initial motion to compel is moot. Respondent is allowed until May 17, 2010 to respond to the amended motion to compel.

This suspension order is retroactive to March 26, 2010, the date petitioner filed its initial motion to compel. This

suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the initial motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the initial motion to compel. See Id.

The amended motion to compel will be decided in due course.
