**MOTION TO SUSPEND**

Defendant, Agulia Records, Inc., respectfully moves the Trademark Trial and Appeal Board of the United States Patent and Trademark Office to suspend this cancellation action due to the fact that there is now pending in the United States District Court for the Northern District of Illinois, Case Number 09 CV 3399, *Agulia Records, Inc., et al., v. Nueva Generacion Music Group, Inc., et al.* In said case, there is now pending a motion for a preliminary injunction the decision on which may have a significant effect on the in this cancellation action and may, in fact, make the cancellation action moot. Further, the decision on the preliminary injunction motion may well result in significant settlement discussions occurring between the parties.

The attorneys for the plaintiff in the cancellation action have been consulted and have agreed to and consented to this motion for suspension. The parties will, upon entry of the Court's order in the Federal Court litigation and any resultant settlement discussion notify the Trademark Trial and Appeal Board so that the cancellation action may be resumed. The defendant prays that this matter be suspended.

Respectfully submitted,
