ANSWER TO PETITION FOR CANCELLATION

Now comes Respondent before this honorable Board and hereby answers the Petition for Cancellation of Respondent's United States Trademark Registration for +POS, Registration No. 1,326,105, which has been filed by Racer Sporting Goods Co., Ltd. ("Petitioner"). In response to the first unnumbered paragraph of the Petitioner's Petition for Cancellation, Respondent denies that Petitioner will be damaged by the existence on the register of the mark as shown in Registration Number 1,326,105. Further answering, Applicant says as follows:

1. Respondent is without sufficient information to admit or deny the allegations in paragraph 1 of the Petition for Cancellation, and therefore denies the same.
2. Respondent admits that Registration No. 1,326,105 covers the mark +POS as applied to umpire protection equipment in Class 28, admits that such goods can be used in connection with the sport of baseball, but denies the remaining allegations of paragraph 2 of the Petition for Cancellation.

3. Respondent is without sufficient information to admit or deny the allegations in paragraph 3 of the Petition for Cancellation, and therefore denies the same.

4. Respondent is without sufficient information to admit or deny the allegations in paragraph 4 of the Petition for Cancellation, and therefore denies the same. However, Respondent does admit that on November 17, 2009, Petitioner filed an application for the mark +POS in Class 28, assigned Serial No. 77/874,885.

5. Admitted.

6. Admitted.

7. Denied.

WHEREFORE, Respondent, having fully answered the Petition for Cancellation, respectfully requests that the present cancellation be dismissed with prejudice.

Respectfully submitted,
