v.

T.C. Connection Corporation

**Angela Lykos, Interlocutory Attorney**

Petitioner's consented motion (filed November 11, 2009) to suspend proceedings because the parties are negotiating for a possible settlement of this case is granted. See Trademark Rules 2.127(a) and 2.117(c). In accordance therewith, proceedings herein are suspended until six months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will resume proceedings and issue a determination on the outstanding motion to dismiss.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
