REGISTRANT’S ANSWER TO PETITION FOR CANCELLATION,
AFFIRMATIVE DEFENSES and COUNTERCLAIMS

Registrant, Stuckey Diamond, Inc. (“Registrant”), herewith Answers the Petition for Cancellation filed by Cartier International N.V. and Cartier, division of Richemont N.A., Inc., (“Petitioners”) seeking cancellation of the **LOVEMARK** trademark, U.S. Trademark Registration No. 3,143,180 used in connection with “loose diamonds and finished jewelry incorporating diamonds” in class 14, registered on September 12, 2006, pleads and avers as follows:

1. Registrant is without knowledge or information sufficient to form a belief as to the truth of the allegations of paragraph 1 of the Petition for Cancellation and, therefore, denies the allegations.

2. Registrant is without knowledge or information sufficient to form a belief as to the truth of the allegations of paragraph 2 of the Petition for Cancellation and, therefore, denies the allegations. It is specifically denied that Petitioners are the owner of the U.S. Trademark

Cancellation No 92051639
ANSWER to Petition for Cancellation
and Counterclaims

Registration No. 3,637,776. To the extent that Petitioners rely or intend to rely on documents which are of public record in this matter, the documents speak for themselves.

3. Registrant is without knowledge or information sufficient to form a belief as to the truth or veracity of the allegations of paragraph 3 of the Petition for Cancellation and, therefore, denies the allegations. To the extent that Petitioners rely or intend to rely on documents which are of public record in this matter, the documents speak for themselves.

4. Registrant is without knowledge or information sufficient to form a belief as to the truth or veracity of the allegations of paragraph 4 of the Petition for Cancellation and, therefore, denies the allegations. To the extent that Petitioners rely or intend to rely on documents which are of not of public record in this matter, strict proof is demanded.

5. Registrant is without knowledge or information sufficient to form a belief as to the truth or veracity of the allegations of paragraph 5 of the Petition for Cancellation and, therefore, denies the allegations of paragraph 5.

6. Admitted in part, denied in part. It is admitted that Registrant proposes to use (and has used) the mark LOVEMARK in connection with diamonds and jewelry. The remaining allegations of paragraph 6 are denied.

7. Denied.

8. Denied.

FIRST AFFIRMATIVE DEFENSE

9. The Petition for Cancellation fails to state a claim upon which relief can be granted.

SECOND AFFIRMATIVE DEFENSE

10. Upon information and belief, Registrant pleads the affirmative defense of acquiescence.

THIRD AFFIRMATIVE DEFENSE

11. Upon information and belief, Registrant pleads the affirmative defense of estoppel.

FOURTH AFFIRMATIVE DEFENSE

12. Upon information and belief, Registrant pleads the affirmative defense of abandonment.

FIFTH AFFIRMATIVE DEFENSE

13. Upon information and belief, Registrant pleads the affirmative defense of waiver.

SIXTH AFFIRMATIVE DEFENSE

14. There is no likelihood of confusion, mistake or deception of the purchasing public between Petitioners' pleaded marks and Registrant's mark when considered in their entireties. Registrant's mark is different from Petitioners' pleaded marks visually, phonetically and conceptually.

SEVENTH AFFIRMATIVE DEFENSE

15. There is no likelihood of confusion, mistake or deception because Petitioner's pleaded mark and Registrant's mark are encountered in the marketplace by sufficiently sophisticated purchasers who deliberate about purchasing relatively costly items such as jewelry and diamonds.

EIGHTH AFFIRMATIVE DEFENSE

16. Registrant's pleaded alleged trademark LOVE BRACELET is at best merely descriptive of the goods with which the mark is used and as such is a weak trademark. The strength of a mark is a factor to be considered in a likelihood of confusion analysis and a weak trademark is entitled to only to minimal protection, if at all.

NINTH AFFIRMATIVE DEFENSE

17. Registrant lacks standing to assert any rights in U.S. Reg. No. 3,637,776.

TENTH AFFIRMATIVE DEFENSE

18. Registrant's pleaded alleged trademark LOVE BRACELET has become the generic name of the goods with which the mark is used. LOVE BRACELET is the equivalent of "friendship ring", "charm bracelet" and "wedding band" in that they are all the generic names for the goods with which those terms are used.

ELEVENTH AND TWELFTH AFFIRMATIVE DEFENSES

19. Upon information and belief, Registrant pleads the affirmative defenses of unclean hands and fraud. Upon information and belief, prior to filing the trademark application for LOVE (Stylized), the applicant therein possessed actual knowledge of numerous third party registrations which contained various formatives of the term "love" used in connection with related or identical goods and yet applicant therein claimed in that application, in pertinent part, "to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive" and applicant therein did not identify any other

registration and now seeks to wrongfully assert its purported rights to “LOVE” claiming that it alone has the exclusive right to the term used in connection with goods in International Class 14.

COUNTERCLAIMS AND PETITION FOR CANCELLATION

NOW COMES Stuckey Diamond, Inc. (hereinafter "Counterclaim Petitioner"), a company organized and existing under the laws of the State of Texas with a place of business located at 952 Echo Lane, Houston Texas which believes that it is or will be damaged by the above-identified registration, and hereby petitions to cancel the same pursuant to Section 14 of the Trademark Act of 1946 (the "Trademark Act"), as amended, 15 U.S.C. Section 1064. Grounds for cancellation are set forth below:

20. Counterclaim Petitioner is the owner of U.S. Reg. No. 3143180 and pending application serial number 77/716264 for LOVEMARK (stylized) and offers the well-regarded and popular LOVEMARK trademark brand of diamonds and jewelry through a wide variety of wholesale and retail marketing channels in the United States in International Class 14.

21. Counterclaim Petitioner has been manufacturing and distributing LOVEMARK branded loose diamonds and finished jewelry incorporating diamonds in the United States since at least as early as August 2004.

22. Counterclaim Petitioner's LOVEMARK trademarks have become well-known and famous throughout the United States by virtue of significant sales of goods bearing Counterclaim Petitioner's LOVEMARK trademark and Counterclaim Petitioner's significant marketing, advertising and promotional efforts and expenditures in connection with Counterclaim Petitioner's LOVEMARK trademark.

23. Upon information and belief Cartier International N.V., (“Counterclaim Registrant”) is a Limited Liability Company duly organized and existing under the laws of the Netherlands Antilles, with a principal place of business at Scharlooweg, 33 Curaçao, Netherlands

Cancellation No 92051639
ANSWER to Petition for Cancellation
and Counterclaims

Antilles ("Cartier International") and Cartier, division of Richemont North America, Inc., a corporation duly organized and existing under the laws of the State of Delaware, with a principal place of business at 653 Fifth Avenue, New York, NY 10022 (collectively "Cartier NA").

24. Cartier NA is the Petitioner for Cancellation of U.S. Registration No. 3,143,180 for the mark LOVEMARK used in connection with "loose diamonds and finished jewelry incorporating diamonds" in class 14, registered on September 12, 2006, in Cancellation No. 92051639.

25. Cartier NA is the reported owner of U.S. Trademark Reg. No. 1,005,286 for "LOVE BRACELET.

26. Cartier NA claims to be the purported owner of U.S. Trademark Registration No. 3,637,776 for "LOVE" (stylized).

27. Counterclaim Petitioner herein brings the instant cancellation action to cancel both U.S. Trademark Reg. No. 1,005,286 for "LOVE BRACELET and U.S. Trademark Registration No. 3,637,776 for "LOVE" (stylized) as its counterclaims to Cancellation No. 92051639.

FIRST COUNTERCLAIM FOR CANCELLATION - GENERICNESS

28. The allegations of paragraphs 1 through 27 are incorporated as if fully set forth herein.

29. Counterclaim Registrant claims to have exclusive rights in the alleged mark LOVE (and variations thereof) used in connection with jewelry since at least as early as 1970.

30. In respect to U.S. Trademark Reg. No. 1,005,286, for LOVE BRACELET Counterclaim Registrant has disclaimed the term "BRACELET", apart from the mark as shown.

Cancellation No 92051639
ANSWER to Petition for Cancellation
and Counterclaims

31. A trademark loses its trademark significance when it becomes the generic term for the goods with which the mark is used.

32. The attached Google searches using the terms “LOVE” and “BRACELET”, excluding the term “CARTIER” shows over 4,710,000 results for “love bracelet – Cartier” (i.e. “love bracelet” and “not Cartier”).

33. These results, attached collectively as Exhibit A show, inter alia, that numerous different retailers and suppliers sell products which are currently identified as being, in whole or in part, a “*LOVE BRACELET*”.

34. For example, Overstock.com, Target, B2CStock.com, Macy’s, Gettington.com, Buy.com and J.C. Penny all market and sell products identified in the product descriptions as being, in pertinent part, a *LOVE BRACELET*.

35. Additionally, there are over a dozen other retailers which advertise or sell bracelets which are identified, in pertinent part, as a *LOVE BRACELET*, including but not limited to “*Promise of Love Bracelet*”, “*Turquoise Bumpy Love Bracelet*”, “*Peace Joy Love Bracelet*”, “*Diamond and Enamel Love Bracelet*”, “*Interlocking Love Bracelet*”, “*Energy Muse Love Bracelet*”, “*Dear Daughter Letter of Love Bracelet*”, “*Live Laugh Love Bracelet*” “*Lucky Brand Watch, Women's Love Bracelet*”, “*Faith Hope Love Bracelet*”, “*14k Tri Color Gold Love Bracelet*” “*1/4 Carat Diamond 10k Yellow Gold 'XOXO' Love Bracelet*” and “*Swarovski Love Bracelet*”.

36. Even from a cursory examination of these search results, it is abundantly clear that Counterclaim Registrant’s *LOVE BRACELET* is totally devoid of any trademark significance and that *LOVE BRACELET* is or has become the generic name for the goods with which the mark is used, namely, a type of bracelet, often also bearing a message of affection and/or the word *LOVE*.

**SECOND COUNTERCLAIM FOR CANCELLATION
“LOVE BRACELET” - FAILS TO FUNCTION AS A TRADEMARK**

37. The allegations of paragraphs 1 through 36 are incorporated as if fully set forth herein.

38. In addition to numerous retailers and wholesalers that market and sell “*LOVE BRACELETS*” many also sell these bracelets with the words “*love*” inscribed or otherwise imprinted thereon.

39. The word “*love*” also often appears on this jewelry with other general terms of goodwill such as “live”, “hope”, “faith”, “life”, “peace” and “laughter”.

40. To the extent that numerous third parties use “*love*” either alone or in combination with one or more other terms for similar if not identical products, Counterclaim Registrant’s claim to the exclusive use of “LOVE” (stylized) must fail or be strictly limited to the narrow stylized presentation shown in U.S. Registration No. 3,637,776.

41. In respect to U.S. Trademark Reg. No. 1,005,286 for “LOVE BRACELET” the designation “*love*” at issue is not being used as nor does it function as a trademark but rather it is mere ornamentation that does not serve to perform a trademark function or serves to identify the source of the merchandise to the customers.

42. Inasmuch as U.S. Trademark Reg. No. 1,005,286 for “LOVE BRACELET” does not function as a trademark it is therefore not a valid trademark and should be cancelled.

**COUNTERCLAIM FOR CANCELLATION
“LOVE (stylized)” - FAILS TO FUNCTION AS A TRADEMARK**

43. The allegations of paragraphs 1 through 42 are incorporated as if fully set forth herein.

Cancellation No 92051639
ANSWER to Petition for Cancellation
and Counterclaims

44. In addition to numerous retailers and wholesalers that market and sell “*LOVE BRACELETS*” many also sell these bracelets with the words “*love*” inscribed or otherwise imprinted thereon.

45. The word “*love*” also often appears on this jewelry with other general terms of goodwill such as “live”, “hope”, “faith”, “life”, “peace” and “laughter”.

46. To the extent that numerous third parties use “*love*” either alone or in combination with one or more other terms for similar if not identical products, Counterclaim Registrant’s claim to the exclusive use of “LOVE” (stylized) must fail or be strictly limited to the narrow stylized presentation shown in U.S. Registration No. 3,637,776.

47. In respect to U.S. Trademark Reg. No. 3,637,776 for “LOVE” (stylized) the designation “*love*” at issue is not being used as nor does it function as a trademark but rather it is mere ornamentation that does not serve to perform a trademark function or serves to identify the source of the merchandise to the customers.

48. Inasmuch as U.S. Trademark Reg. No. 3,637,776 for “LOVE” (stylized) does not function as a trademark it is therefore not a valid trademark and should be cancelled.

WHEREFORE, Counterclaim Petitioner believes that it is damaged by the continued registration of U.S. Registration No. 1,005,286 and prays that the registration for Counterclaim Registrant’s mark be cancelled and for such other and further relief as the Trademark Trial and Appeal Board deems appropriate.

Counterclaim Registrant requests that all communications be directed by mail to, Robert F. Zielinski, 1518 Walnut Street, Suite 1706, Philadelphia, PA, 19102; by email to RFZielinski@rfzlaw.com with a copy to trademarks@rfzlaw.com; or by facsimile to 215-731-9104.

Product Description

Product Description

If you like circle designs you will simply love this stunning bracelet. It is crafted from high polished sterling silver and features our popular "Circles of Love" design. This bracelet sparkles with 10 round diamonds for a total diamond weight of 0.10 carats. A rhodium finish gives this piece the look and feel of platinum while making it more tarnish resistant. It measures 8" in length and weighs approximately 16.9 grams. Great style! Great value!

Product Description

Product Description

Magnetic therapy is used as a non-medical treatment to help relieve pain and increase the body's natural healing process for a faster recovery time. The iron in our blood acts as a conductor of the magnetic energy created by the magnetic hematite bracelet. It is believed that this may improve blood flow which in turn increases the efficiency of oxygen and nutrient delivery to the tissues, thus
